TICKET POLICY

All ticket sales are final. Subscribers (not single-ticket buyers) have the option of exchanging tickets by contacting the box office at least 7 days before a performance.

Tickets that cannot be used may be donated back to Steinway Society prior to the concert for resale. If you would like a donation acknowledgment, please return your tickets at least 72 hours in advance of a performance.

CONCERT TIMES & PRE-CONCERT LECTURES

Most concerts are typically two hours long, including a 15-minute intermission. Forty-five minutes before each concert, we have a half-hour educational lecture by a musical professional, who provides insights and background regarding the music to be played. These lectures are included in your ticket at no charge.

Welcome to our 25th season of bringing outstanding classical piano performances to Silicon Valley and San Jose.

Our concerts will no longer be held at the Trianon Theatre. We have chosen five new concert venues in San Jose and Saratoga for this year's performances. Check your tickets carefully to note the correct location for each concert.

PATRONS WITH SPECIAL NEEDS

Please plan to arrive early, as parking is limited at some venues. If possible, contact our box office at least 5 days prior to a concert so that we can plan for your arrival. Patrons in wheelchairs should approach the venue entrance and ask for an usher, who will guide the patron to the designated seating area.

LATE SEATING

Late seating is allowed only at appropriate pauses in the performance. Please try to arrive at least 15 minutes before the start of the concert to ensure that you have time to be seated before the performance begins.

SOCIAL MEDIA

We love for you to post about us on social media—but not during a concert! Please be sure that your pagers, phones, and tablets are silenced or off during the concert.

RECORDING DEVICES

Recording of performances is not allowed except by authorized personnel. No flash photography is permitted in the concert halls.

VENUE AND PARKING INFORMATION

If you have any issues with parking or locating the concert venue entrance, look for the volunteers with a black-and-white Steinway Society baseball cap.
